Sub : REQUEST FOR EXTENDING TRAINING FACILITY TO OUR STUDENTS OF MINING ENGINEERING

Dear Sir,

AKS University, established at Satna has been offering Diploma in Mining Engineering and tried to extend best education in Mining. As you are aware Mining without practical training is of no value, we solicit your help and cooperation to the following B.Tech Mining/2nd. Semester students:

1. Sri shivam Singh
2. Shubham Chaurasia
3. Krishna Kant Kushwaha
4. Mohit Kr. Soni
5. Aman Viswakarma
6. Kripasankar Gautam

Since these students are mostly from lower to lesser income group families/class of the Society, we earnestly request you to extend Training in your IRON ORE MINES for at least for 28 days for MINING STUDENTS.

Looking forward to your help to our students. I am handing over this introduction letter to the students concerned.

They will follow all instructions and sign documents/produce documents if any as required by your management.

Thanking you,

Yours faithfully,

Dr Gyanindra Kumar Pradhan
Professor of Mining Engineering
