## References/ Bibliography

### Citation:

Cite references in the text by name and year in parentheses. Some examples:

- Negotiation research spans many disciplines (Thompson 1990).
- This result was later contradicted by Becker and Seligman (1996).
- This effect has been widely studied (Abbott 1991; Barakat et al. 1995a, b; Kelso and Smith 1998; Medvec et al. 1999, 2000).

### Reference list

The list of references should only include works that are cited in the text and that have been published or accepted for publication. Personal communications and unpublished works should only be mentioned in the text. Do not use footnotes or endnotes as a substitute for a reference list. Reference list entries should be alphabetized by the last names of the first author of each work. Order multi-author publications of the same first author alphabetically with respect to second, third, etc. author. Publications of exactly the same author(s) must be ordered chronologically.

The format for a particular reference type is shown as an example below:

#### • Citation of Journal article/communication/letter/note/review

- (1) Shah, S.; Rangarajan, S.; Friedman, S.H. (2005). Effect of high intensity intermittent training on heart rate variability in prepubescent children. *Angew. Chem., Int. Ed.* 44, 1328-1332.

#### •Citation of Books

#### •Citation of Web-accessed Information

Web citations must include name of author, title of publication, and date of publication. These items are formatted according to the style guide selected. In addition, the Uniform Resource Locator (URL) must be provided in the following form:

1. Protocol or access-mode identifier (i.e., http, https), followed by a colon and two forward slashes (e.g., http://)
2. Host name, always typed in lower case (e.g., http://www.ieee.org/)
3. Pathway to the document, including file name, typed exactly as it appears, including upper and lower case and punctuation
4. A sample URL is: <http://www.ieee.org/Policy/Submis/Abstract/pabs587.cfm>
5. URLs may be broken only after a slash or double slash or after a period. Never insert a hyphen, and never break a URL at a hyphen.

## Guidelines for Plagiarism Check

The following guidelines must be adhered to for submitting the Plagiarism reports generated by ORKUND software at the time of Ph.D. thesis submission:

1. The Post graduate/Ph.D. thesis must undergo a Plagiarism Check by **ORKUND** software.
2. The exclusion at the time of performing the check should be limited to the following:

Quotes

Bibliography

Phrases

Small matches upto 10 words

Small similarity less than 1%

Mathematical Formula

Name of Institutions, Departments etc.

3. Regarding Self Plagiarism or cases where published work of the student is shown as Plagiarism in the check, a certificate (Plagiarism Self Exclusion Certificate, attached) has to be issued by the Supervisor specifying and attaching the articles that have been published by the student from thesis work. Only these articles should be excluded from the check. No other article of the Supervisor or the student should be excluded from the check. This will be for reference of the library, which will perform the final check.
4. The final Plagiarism check from the library is essential so that the correct report is submitted at the time of thesis submission.
5. The Central library will issue the final certificate of Plagiarism Check called the **Plagiarism Verification Certificate**, certifying and authenticating the check performed by the student/Department. This certificate has to be submitted to the Exam /Directorate of Research at the time of submission of the thesis.
